All,

Update on 7 Mts. Summer Camp:

I called the Council today, and found out that I distributed the wrong date for Troop 380's participation in Summer Camp.

Our actual dates are: Sunday 7/13/08- Saturday 7/19/08.

The original dates (7/5/08 - 7/12/08) ARE WRONG!

For those of you who have already made summer plans around those dates, I apologize. I am hoping I caught my mistake in time, and no one will have been inconvenienced. This does put Summer Camp in conflict with Troop 380's volunteering opportunity with parking for the Peoples Choice Arts Festival (this has happened in the past as well).

On to dates, deadlines and fees:

Early registration: \$240.00 (deadline Tuesday 4/29/08)

Regular registration: \$270.00 (deadline Tuesday 5/27/08)

Late registration: \$300.00 (deadline Tuesday 7/1/08)

Early registration will save you some money! A scout approval form will be on the website soon.

For new scouts and new scout families, 7 Mts. Summer camp is a wonderful opportunity to get your young scout further along in early rank advancements, and to have a lot of fun. Most of these guys have been to Camp as Webelos (or younger) for many years. Sam Duffy and I will be the scoutmasters in attendance. I hope to see all of you there.

Sorry once again for the wrong dates.

regards,

Pierre
